THE VINE COFFEE BECOMES NEWEST PARTNER WITH COMMUNITY CENTER AT LAKE CHELAN

CHELAN, Washington (July 8, 2020) - Continuing to fulfill its goal of partnering with top quality people, organizations and companies in the area, the Seven Acres Foundation has reached an agreement with Holly and Ryan Moody to lease space in the Community Center at Lake Chelan for their new business venture, The Vine Coffee. The coffee shop will be the exclusive convenience food and beverage vendor at the Center, and it's expected to provide a destination experience for all area residents, not just those patrons who use Community Center for recreational and other activities.

"We are extremely excited about the partnership we've established with this wonderful new facility, mainly because of the great people involved with the project, and the fact that it enables us to give back to the community we've enjoyed living in for so many years," said Holly Moody. "Building the Center is such a great cause for our area, so we're thrilled to be a part of it. We've dreamed about having our own small business like this for many years, and now it's time to take the plunge." Moody says that in addition to serving a variety of coffee drinks, she also plans to offer juices, breakfast sandwiches, paninis, homemade cookies, pre-packaged foods, and many other items. The Vine Coffee will be located in a prime location near the front door of the Center, providing an indoor parlor style environment in addition to having outdoor tables and chairs.

The mission of the Community Center at Lake Chelan is to connect people with the resources they need and with each other in order to enhance the quality of life in the Lake Chelan Valley. Seven Acres Foundation is continuing fundraising efforts for the CCLC and expects to begin construction no later than the Spring of 2021.
